WELLPOINT ADDS CCS ENERGY MARKETING TO GROWING LIST OF NORTH AMERICAN CLIENTELE

CALGARY, Alberta, June 22, 2005 – WellPoint Systems Inc. ("WellPoint") (TSX-V:WPS) today announced that Calgary-based CCS Energy Marketing (CEM) has selected WellPoint's Oil Marketing System (OMS) to assist it with satisfying critical requirements for crude oil marketing. Additionally, CEM's extended requirements will assist WellPoint in further defining the functional characteristics of its new risk management application that will be available to the general marketplace before the end of the summer 2005.

"This was an extremely competitive process and we are truly excited that an up-and-coming company like CEM has selected OMS as the technology that will complement their vision going forward." says Tom Mawhinney, Vice President of Sales & Marketing for WellPoint Systems.

About CCS Energy Marketing

CEM is the in-house energy marketing division of the CCS Income Trust and is responsible for providing crude oil and condensate marketing services to CCS Energy Services and third parties. The division drives incremental value through multiple revenue streams, including lease purchases, bulk purchases and single shipper/optimization
