

For Immediate Release

WELLPOINT SYSTEMS INC. ANNOUNCES IMMINENT LAUNCH OF NEW PRODUCT

CALGARY, January 14, 2005.

WellPoint Systems Inc. ("WellPoint" or the "Company") (TSX-V:WPS) is pleased to announce that a significant new product will be introduced to the Oil & Gas industry on January 27, 2005. More details about the product will be provided to the market at the time of launch.

About WellPoint Systems Inc.

WellPoint Systems Inc. is the only independent software vendor and Microsoft Business Solutions partner in the oil and gas sector. It is breaking new ground with the creation of a more comprehensive, integrated oil and gas software suite based on existing Microsoft ERP technology that utilizes state-of-the-art Axapta® and .NET architecture.

Founded in 1997, Calgary based WellPoint also has operations in Houston, Texas through its subsidiary, WellPoint Systems, Inc.

WellPoint is publicly traded on the TSX Venture Exchange under the symbol WPS.

This document contains forward-looking statements. Some forward looking statements may be identified by words like "expects", "anticipates", "plans", "intends", "indicates" or similar expressions. The statements are not a guarantee of future performance and are inherently subject to risks and uncertainties. The Company's actual results could differ materially from those currently anticipated due to a number of factors, including, but not limited to, successful integration of structural changes, including restructuring plans, acquisitions, technical or manufacturing or distribution issues, the competitive environment for the Company's products, the degree of market penetration of the Company's products, and other factors set forth in reports and other documents filed by the Company with Canadian securities regulatory authorities from time to time.

The TSX Venture Exchange does not accept responsibility for the adequacy or accuracy of this release.
