

News Release

WELLPOINT EXTENDS MINING REACH BEYOND NORTH AMERICAN BORDERS

CALGARY, Alberta, October 10, 2006 - WellPoint Systems Inc. ("WellPoint" or the "Company") (TSX -V:WPS), the premier supplier of innovative software solutions to the energy sector, is pleased to announce that the Company will be partnering with Anatolia Minerals Development Limited ("Anatolia") (TSX:ANO.TO) to implement, maintain and support its comprehensive financial management solution within both Anatolia's domestic and international operations.

Over the past twenty-four months, WellPoint has been consistently adding clients to a rapidly growing list of mining clientele. However, Anatolia represents the first of these clients to maintain operations that reside outside of North America.

"The addition of Anatolia Minerals to our customer base is a very strategic milestone for our company," says Tom Mawhinney, President of WellPoint Systems. "Some of our recent announcements have hinted at our international ambitions for the mining industry and we hope that the addition of a global player like Anatolia lends tangible evidence of those ambitions."

About Anatolia Minerals Development Ltd.

Anatolia Minerals holds a commanding exploration presence in Turkey – a mineral-rich region of untapped mining potential. Active since 1996, Anatolia builds its success around a strong in-country team that attracts interest throughout the global mining community. Anatolia holds 100% interest in the Çöpler Gold Project, have a comprehensive long-term joint venture with Rio Tinto Mining & Exploration on multiple properties in Turkey and maintain a strong portfolio of additional exploration properties.
