PLAINS MARKETING ENGAGES WELLPOINT TO DEVELOP STRATEGIC APPLICATIONS BLUEPRINT

CALGARY, Alberta, April 27, 2006 - WellPoint Systems Inc. ("WellPoint") (TSX-V:WPS), today announced that the company has entered into an agreement with Plains Marketing Canada LP ("Plains") that will see the company develop a strategic applications blueprint founded on the WellPoint Integrated Financials platform (formerly IFS). This agreement also includes the purchase of Microsoft Dynamics AX, Microsoft's flagship ERP platform.

The focus of this initiative is to establish the basis for comprehensive integrated business processes across the Plains operation. It will also map the future direction for the introduction of integrated systems that will support Plains' strategic growth objectives.

"WellPoint has redefined its business over the past couple of years in an effort to develop the kind of software that is capable of delivering on the promise of process and application integration, a promise that includes fewer redundancies and ultimately the ability to do more with much less," says Tom Mawhinney, President of WellPoint Systems. "Plains Marketing represents the perfect opportunity for our company to demonstrate just how powerful these integration benefits can be."
