## WELLPOINT NAMED AS ONE OF THE PREMIER GROWTH COMPANIES IN CANADA

CALGARY, Alberta, April 18<sup>th</sup>, 2007 – WellPoint Systems Inc. (“WellPoint” or the “Company”) (TSX-V:WPS) is pleased to announce that the Company has been named a member of the Branham Group’s “Top 20 Movers and Shakers” for 2006. The Movers and Shakers list is made up of technology companies that, through remarkable performance, showed the most significant increases in their rankings compared to last year’s list. The complete listing can be found in the most recent edition of Backbone Magazine ([www.backbonemag.com](http://www.backbonemag.com)).

With a year-over-year growth rate of well over 115%, WellPoint moved up thirty-four places on the list of the Top 250 technology companies in Canada. It should be noted that at the time of the Branham Group’s survey, WellPoint’s audited results for 2006 had not yet been released to the market and therefore this placement is based on Branham’s internal estimate. The Company is pleased to report that the FY2006 results were significantly better than Branham’s original estimate.

“We are very excited about being measured and recognized by reputable industry consultants like the Branham Group”, says Tom Mawhinney, President of WellPoint Systems. “With the growth objectives we have in place for the next few years, we fully expect to be members of their elite group well into the next decade.”
